

MTurk assignment

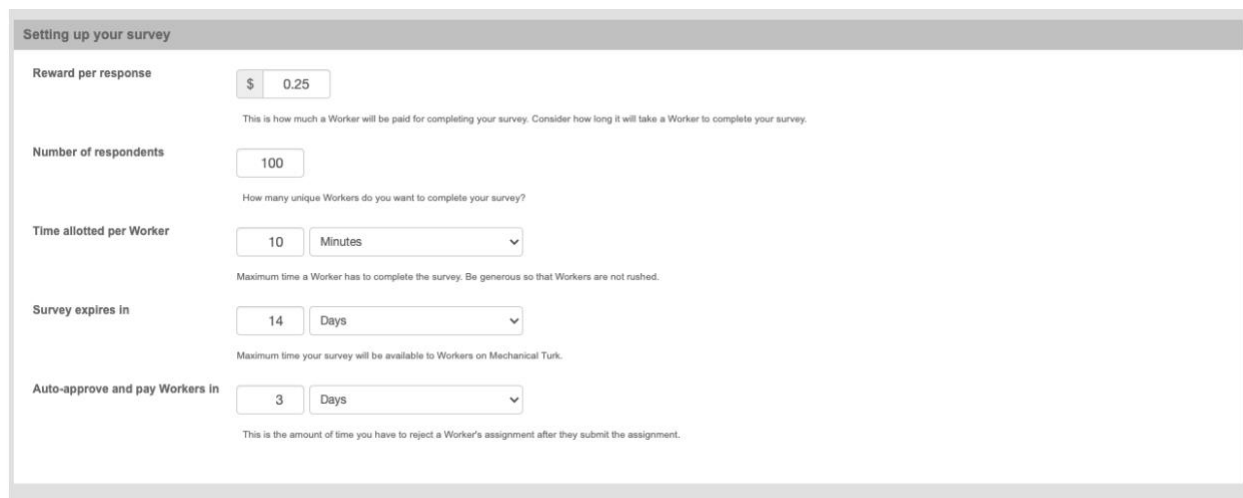

1. Create a MTurk project and putting in a description for the project.

Edit Project

The screenshot shows the 'Enter Properties' step of the MTurk project creation process. It includes a progress bar with three steps: 'Enter Properties', 'Design Layout', and 'Preview and Finish'. The 'Project Name' is set to 'aggregated wisdom'. Below this, there is a section titled 'Describe your survey to Workers' with fields for 'Title' (Play an ultimatum game), 'Description' (Submit your own offer or demand for a bargaining game. It takes about 5 minutes), and 'Keywords' (survey, bargaining). Each field has a small instructional text below it.

2. Specifying the detail for the survey including payment for a response, desired number of responders, time needed for the survey, etc.

The screenshot shows the 'Setting up your survey' step. It contains several configuration options: 'Reward per response' is set to \$0.25; 'Number of respondents' is set to 100; 'Time allotted per Worker' is set to 10 minutes; 'Survey expires in' is set to 14 days; and 'Auto-approve and pay Workers in' is set to 3 days. Each setting has a brief explanatory text below it.

3. Adding criteria to filter participants including geographic location (US) and HIT Approval rate (90%).

Worker requirements

Require that Workers be Masters to do your tasks (Who are Mechanical Turk Masters?)

☐ Yes ☒ No

Specify any additional qualifications Workers must meet to work on your tasks:

Location
is
UNITED STATES (US)
Remove

HIT Approval Rate (%)
greater than
90
Remove

(+ Add another criterion) (up to 3 more)

(Premium Qualifications incur additional fees, see [Pricing Details](#) to learn more)

Project contains adult content (See details)

☐ This project may contain potentially explicit or offensive content, for example, nudity.

Task Visibility (What is task visibility?)

☒ **Public** - All Workers can see and preview my tasks

☐ **Private** - All Workers can see my tasks, but only Workers that meet all Qualification requirements can preview my tasks

☐ **Hidden** - Only Workers that meet my Qualification requirements can see and preview my tasks

4. Resulting page of the MTurk survey that MTurk workers will see.

Play an ultimatum game

Requester: chas-ucm
Reward: \$0.25 per task
Tasks available: 0
Duration: 10 Minutes

Qualifications Required: Location is US , HIT Approval Rate (%) greater than 90

Survey Link Instructions (Click to collapse)

We are conducting an academic survey about decision-making in a bargaining situation. The link below will lead you to a survey that asks you to submit an offer or a demand in a bargaining situation. At the end of the survey, you will receive a code to paste into the box below to receive credit for taking our survey.

Make sure to leave this window open as you complete the survey. When you are finished, you will return to this page to paste the code into the box.

Template note for Requesters - To verify that Workers actually complete your survey, require each Worker to enter a **unique** survey completion code to your HIT. Consult with your survey service provider on how to generate this code at the end of your survey.

Survey link: <http://aggdecision.com/survey.html>

Provide the survey code here:

e.g. 123456
